1 Purpose

The purpose of the Free Open Source Software Interest Group (FOSSIG) is:

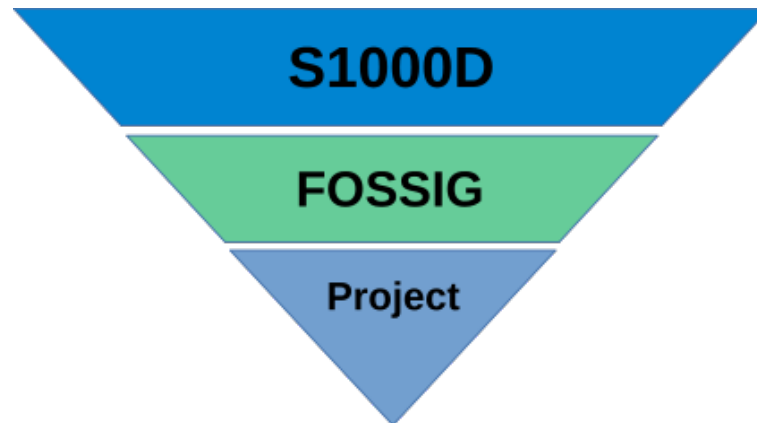

- to apply S1000D to the documentation of free software
- to develop free software to support S1000D projects

2 Scope

One of the goals of the FOSSIG is to develop a layer of common business rules for free software projects based on the S1000D business rules decision points.

This is a draft copy of issue 000-01.
